TESRenewal Username: thor6136

Country of Residence: Slovenia

Timezone: UTC -06 (Central Time)

Interested in: Concept Art

Level of Commitment: Highly active

Skills and Experience: Hey guys i am very interested in doing concept design and help you move the project forward, i am open to do research and presentation drawings for character, environment (interior exterior), props, creatures.

Besides that, i have very strong skills in coding and level design (i do work professionally), but currently i am interested in concept design and would really like to work on that in my free time (every day after work). I also have experience in music composition and some 3d. So there is always possibility to help you in other fields :)
