TESRenewal Username: TimoculousPrime

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Coding/Scripting/Mechanics, Landscaping, Voice Acting, Writing

Level of Commitment: Moderately active

Skills and Experience: I just graduated with a minor in computer science. I have been looking for an interesting project to work on in my free time and would love to contribute.

I know C/C++, C#, Java, and Python. I haven't used the creation kit for Skyrim, but I have used the version for Fallout 3 in the past.

I have also used git and github a bit.
