TESRenewal Username: Xhalth

Country of Residence: United States

Timezone: UTC -07 (Mountain Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I have been learning C++ on my own for about a year now and would like to try to put what I've learned to something meaningful. I don't have any experience with Papyrus but am willing to learn. I'm currently enrolled in Java programming classes in university as well. I've worked on a few projects on my own for some practice. My little projects are on my github.
