

Skywind Application

TESRenewal Username: Ztitchez

Country of Residence: South Africa

Timezone: UTC +02

Interested in: Sound Effects

Level of Commitment: Moderately active

Skills and Experience: sound design

ambiance creation

sfx creation

field recording

5.1 and stereo mixing

dialogue mixing (though id prefer not to work on dialoug)

i dont have any showreel i can legally upload as every thing i have worked on belongs to my place of study, that being said give me something someone else is already working on to showcase my capabilities, i realy want to get involved. the link is to a animation i worked on in my first year of study but it is not my best work
